

Crawford House Wish List

Thank you for visiting the wish list for Crawford House, our 'Home from Home' supporting the Royal Victoria Infirmary.

Crawford House has been very fortunate to have several large donations of wish list items, so we are not in need of items at the moment.

However, we are currently raising funds to refurbish all of the bathrooms at Crawford House and general running costs such as gas, electricity, maintenance and cleaning. Any monetary donations will be very gratefully received.

Any amount can be put to good use to support the families with seriously ill children, who are staying in our accommodation.

For more details or to make a donation, please contact House Manager Gail on Gail.Stonley@nuth.nhs.uk or call 0191 282 5818. Thank you!
