

The Sick Children's Trust

The Sick Children's Trust believes every family with a seriously ill child in hospital should be able to stay together, just minutes from their child's bedside.

We believe keeping families together significantly improves the recovery of seriously ill children. We provide free high quality 'Home from Home' accommodation, as well as emotional and practical support for families with sick children in hospital in the UK.

The cost of achieving this is about **£28 per family per night**.

We currently have ten 'Homes from Home' at leading children's hospitals and can support around 3,500 families every year. But demand is growing and we need your help now more than ever!
