regular my donation

To make a regular donation, please complete the reverse of this form. We will use your gift to provide a 'Home from Home' for families of sick children - helping the most basic of medicines to work; family love and support.

£27 would provide a family with a room for one night.

The Sick Children's Trust runs 'Homes from Home' at major hospitals around the country where families can stay free of charge, for as long as they need, whilst their child is undergoing treatment.

We rely entirely on voluntary donations to keep the charity going and to keep our 'Homes from Home' open.

We believe families are better together.
