Press release - for immediate release

we're here, so you can be there

Manicures, pedicures and massage – not your typical fundraising!

But that's exactly what you could be doing on Thursday 14th May to raise money for The Sick Children's Trust...fundraising doesn't get much better than this!

Come along to a night of pampering at The Sherwood Function Room from 6.30 until 8.30pm and indulge in some special treats. Tickets to the event are just £4 each including tea, coffee and nibbles!

Pamper treatments available on the night include, manicures, pedicures, hair styling, hand massage, reflexology and reikki. While a host of experts will be on hand to offer make up advice, fashion advice, nutritional advice, and tips on flower arranging.

And for just £2-£4 each you can enjoy taster sessions – why not get a make-over, perhaps get your nails done, relax with a hand rub or even get your hair straightened... or curled! All money from the taster sessions will go directly to The Sick Children's Trust.

Ann Wyatt, House Manager at Treetop House, The Sick Children's Trust 'Home from Home' based at Sheffield Children's Hospital, says 'This is the fourth time I have arranged a ladies pamper night in aid of The SCT, and they are proving more popular every year! I absolutely love hosting the parties; they are such fun for everyone that attends. We all really enjoy ourselves while getting pampered and helping out The SCT at the same time – a bit of pampering is definitely my kind of fundraising!'

To add to the evening's entertainment, there will also be dance demo's by a local ladies dance class, delicious home-made chocolate treats to purchase then devour and the chance to buy yourself a truly gorgeous girlie gift of a new pair of shoes, hand bag or jewellery!

Company's taking part include John Lewis, Lush, Virgin Vie, Boots No7, Tanning Plus Nails & Beauty Salon, Stepping Out Dance Studio, Directors Cut Hair Salon, Daisy Chain, Ladyzone Gym, Shoes Galore and Glitz Jewellery.
