### The Sick Children's Trust

Registered Charity No: 284416

All funds raised will help The Sick Children's Trust provide 'Home from Home' accommodation for the families of sick children whilst they receive vital medical treatment in hospital often far from home. Our houses mean that families can stay together, in a homely environment, close to the children's ward to offer each other essential love and support during a difficult and distressing time.

With seven 'Homes from Home' across the UK we are currently able to help up to 4,000 families every year. Families can stay in our houses, free of charge for as long as they need to - it costs The SCT approx. £25 per night to support each family that needs our help.

**Thank you for your generous support!**
