

Can you help us?

Fundraising can be great fun, so get involved and you can help us to support about 3,500 families every year. It costs less than £30 to keep a family together for one night.

Fundraising at work

Fundraising at work can have many benefits for both the employer and the employee. Could you ask your employer to support us? Whether you hold a raffle, auction, mobile phone collection or dress down day you can enjoy yourself while raising needed funds. Many employers will match fund your efforts so you can make even more of a difference to the lives of the families that we support.

Fundraising in the community

There are plenty of other ways you could help us. You could run a marathon or take part in a sponsored cycle ride. And if you've ever fancied jumping from a plane we could help you to organise a tandem parachute jump. Or perhaps you could organise a cake sale if baking is more your cup of tea?

Eckersley House was originally opened in 1984 at St James's Hospital following a bequest of Robert Eckersley, the late husband of Dolores, father of Mark, Julian, Louise and stepson Simon.

The Sick Children's Trust would like to thank the Eckersley family for the founding of the original Eckersley House and Dolores Halpern (nee Eckersley) for her support of this 'Home from Home' at Leeds General Infirmary.

In July 2010 Eckersley House was moved from St. James's Hospital to Leeds General Infirmary. It was been specially designed to ensure access for those with disabilities.

Based over 3 floors, the house now has 23 family bedrooms (4 with en-suite), 8 bathrooms, 3 fully equipped kitchen/communal dining areas, 3 well-stocked playrooms, 3 shared living rooms and full laundry facilities. There is also a self-contained flat for families and their sick child when recovering from a liver transplant.

Eckersley House is open 365 days a year and can accommodate 23 families a night. Rooms are allocated to families on a first come, first served basis and are offered to families completely free of charge. We are able to help about 800 families a year.

We are funded solely by voluntary donations from individuals, companies and charitable trusts. The cost of staffing and maintaining Eckersley House amounts to £117,000 a year.

Our 'Homes from Home'

All of our houses vary in size and layout, but families staying in each of our 'Homes from Home' will have:

House staff for families to turn to when they need someone to talk to or a shoulder to cry on. They are at the heart of our work, responsible for the smooth running of the house and ensuring that parents' needs are met so that they can spend more time with their children.

Facilities for brothers and sisters such as play areas with plenty of toys, books and games to help children feel more at home.

Short distances to the children's wards that enable sick children to spend time with their families in the 'Home from Home' when they are well enough.

Direct telephone lines to the wards in all bedrooms so that parents have peace of mind, knowing that they are only a phone call away from their sick child's bedside.*

Private bedrooms where it is safe to leave personal possessions.

Fully equipped kitchens to enable families to enjoy home cooked meals together, an important component of family life.

* The phone is inbound only at Rainbow House.
