

Can you help us?

Fundraising can be great fun, so get involved and you can help us to support about 3,500 families every year. It costs less than £30 to keep a family together for one night.

Fundraising at work

Fundraising at work can have many benefits for both the employer and the employee. Could you ask your employer to support us? Whether you hold a raffle, auction, mobile phone collection or dress down day you can enjoy yourself while raising needed funds. Many employers will match fund your efforts so you can make even more of a difference to the lives of the families that we support.

Fundraising in the community

There are plenty of other ways you could help us. You could run a marathon or take part in a sponsored cycle ride. And if you've ever fancied jumping from a plane we could help you to organise a tandem parachute jump. Or perhaps you could organise a cake sale if baking is more your cup of tea?

We would like to help you

We have a dedicated fundraising team who can help with ideas and promotional materials, and a communications team who can promote your fundraising efforts wherever possible.

Stevenson House opened in 2003 and supports families with sick children receiving treatment at The Royal London Children's Hospital. Since opening, Stevenson House has helped about 620 families every year.

In July 2011 Stevenson House was extended. With a waiting list most nights, we added 4 bedrooms, 2 bathrooms and a second communal kitchen/dining area. We will be able to help an extra 150 families a year.

Our 'Homes from Home'

All of our houses vary in size and layout, but families staying in each of our 'Homes from Home' will have:

House Staff for families to turn to when they need someone to talk to or a shoulder to cry on. They are at the heart of our work, responsible for the smooth running of the house and ensuring that parents' needs are met so that they can spend more time with their children.

Facilities for brothers and sisters such as play areas with plenty of toys, books and games to help children feel more at home.

Short distances to the children's wards that enable sick children to spend time with their families in the 'Home from Home' when they are well enough.

Direct telephone lines to the wards in all bedrooms so that parents have peace of mind, knowing that they are only a phone call away from their sick child's bedside.*

Private bedrooms where it is safe to leave personal possessions.

Fully equipped kitchens to enable families to enjoy home cooked meals together, an important component of family life.

* The phone is inbound only at Rainbow House.
