

## Can you help us?

Fundraising can be great fun, so get involved and you can help us to support about 3,500 families every year. It costs less than £30 to keep a family together for one night.

### Fundraising at work

Could you ask your employer to support us? Whether you hold a raffle, auction or dress down day you can enjoy yourself while raising needed funds. Many employers will match fund your efforts so you can make even more of a difference to the families that we support.

### Fundraising in the community

There are plenty of other ways you could help us. You could run a marathon, take part in a sponsored cycle ride, or complete a tandem parachute jump. Or perhaps organising a local quiz night, dinner & dance or bake sale is more your cup of tea?

### The Big Chocolate Tea Party

Why not join in our annual fundraising campaign and host a chocolate tea party during the month of May with friends and family or organise a chocolate-cake-bake-off at work? Raising money has never been so delicious!

Scott House  
The Freeman Hospital  
Freeman Road  
Newcastle upon Tyne NE7 7DN

Scott House was opened in October 2014. This house supports the children's heart unit at The Freeman Hospital in Newcastle.

The house can be reached by a short 5 minute walk through the hospital and has been designed to be accessible to wheelchair users.

Scott House has 18 bedrooms all with en-suite facilities. There is also a self contained flat for families preparing to go home post transplant.

Scott House is open 365 days a year and can accommodate 19 families a night. Rooms are allocated to families on a priority basis and are offered completely free of charge.

The house has 2 fully equipped kitchens, 2 dining areas, 2 sitting rooms, and 2 play areas plus an enclosed patio and garden area with a picnic table and seating. There are also full laundry facilities with rotary clothes lines available.

We are funded solely by voluntary donations from individuals, companies and charitable trusts. The cost of staffing and maintaining Scott House amounts to approximately £80,000 a year.

## Our 'Homes from Home'

All of our houses vary in size and layout, but families staying in each of our 'Homes from Home' will have:

House Staff for families to turn to when they need someone to talk to or a shoulder to cry on. They are at the heart of our work, responsible for the smooth running of the house and ensuring that parents' needs are met so that they can spend more time with their children.

Facilities for brothers and sisters such as play areas with plenty of toys, books and games to help children feel more at home.

Short distances to the children's wards that enable sick children to spend time with their families in the 'Home from Home' when they are well enough.

Direct telephone lines to the wards in all bedrooms so that parents have peace of mind, knowing that they are only a phone call away from their sick child's bedside.

Private bedrooms where it is safe to leave personal possessions.

Fully equipped kitchens to enable families to enjoy home cooked meals together, an important component of family life.
