About us

The Sick Children's Trust is the charity that provides a welcoming 'Home from Home' where families with a sick child in hospital can stay. But we're more than bricks and mortar, our friendly, caring staff are there to support families when they really need it.

Without us families would have to travel long distances, sleep in uncomfortable hospital chairs or pay for expensive hotels just to be by their sick child's hospital bedside. Not only do we alleviate financial worries but we also help the mental wellbeing of the families we support.

Our vision

We are working to a future where every family with a seriously ill child in hospital can stay together, close to their child's hospital bedside.

Our mission

We provide welcoming, comfortable 'Homes from Home', to keep families together when they have a sick child in hospital and kind, caring staff to support them

Our values

Passionate

We believe passionately that families with a seriously ill child in hospital should be together

Supportive

We care for families when they really need us, and we support our staff to be the best they can be

Togetherness

We work together to make a difference

Proud

We are proud to be able to welcome all families that need us to our clean and comfortable 'Homes from Home'

Trustworthy

We are open, honest and transparent in everything we do. We spend our money responsibly ensuring that families are always at the heart of our work

Our 'Homes from Home'

We have ten 'Homes from Home' across England that can support 148 families a night. In 2022/23 we provided 40,803 nights of accommodation and supported 3,021 families.

A woman with blonde hair, wearing a blue turtleneck, is holding a baby. The baby is wearing a blue and white striped sweater with a red collar and has medical equipment on their face: a nasal cannula and a small adhesive patch on their cheek. The background is a blurred outdoor scene with green and yellow leaves.

“To be an hour away, when you’ve got to produce milk, express it, take it into NICU for feeds. On top of the stress of going backwards and forwards and missing time with him, it’s just not feasible. You need to be there all the time, to be there with him, But thanks to The Sick Children’s Trust’s support, you’re focusing on being there for your baby, not on where you can sleep”

Helen Ledster, Flynn’s mum

Our staff survey

97%

of our colleagues enjoy working
at The Sick Children's Trust

95%

of our colleagues are proud to
work at The Sick Children's Trust

94%

of our colleagues said that the

Job Description

Job title: Senior Digital Officer

Hours: Full time - 35 hours per week

Location: Head Office, London (Hybrid working)

Reports to: Head of Communications and Marketing

Role purpose:

The Senior Digital Officer is responsible for developing and implementing all digital plans for The Sick Children's Trust to ensure our website is accessible, optimised and kept up to date and our email marketing is effective and well targeted. Working with the Head of Communications and Marketing they will lead all aspects of our website, family feedback database, be responsible for our automated email programs, other platforms and systems and will develop new initiatives, using a digital first approach.

Key tasks and responsibilities:

- Working with the Head of Communications and Marketing, implement and maintain the digital strategy that encompasses all areas of our digital communications
- Keep our website up to date, accessible, relevant and ensure best practice is used at all times as well as suggest improvements and development opportunities
- Liaise with our web developers to ensure the website is up to date
- Manage our family feedback database and communications with families programme, as well as our broader automated communications plans
- Advise and support the rest of the organisation on website, digital systems and digital best practice, new technologies and ways of working
- Manage our email marketing platform, planning and implementing monthly and ad hoc emails
- Ensure google ad words is kept up to date and utilised and use google analytics for evaluation and reporting
- Train new starters how to use our content management system (CMS), shop systems, feedback portal and any other platforms as required

Key tasks and responsibilities:

- Stay up to date with digital and technical advances that will help the charity
- Work closely with colleagues in the team on campaigns and projects
- Support the team gathering content such as photographs and video when required
- Evaluation of digital key performance indicators, monthly and quarterly
- Maintain excellent working relationships with the other teams
- Uphold the charities values and brand
- Attend events, representing The Sick Children's Trust as and when required
